IBF U21 WORLD CHAMPIONSHIPS

FORMAT AND RULES

Introduction

Format and Style of play rules for IBF U21 World Championships.

Scoring Method

Traditional Scoring system will be used across all World Championships formats.

SINGLES

Singles qualification event

Dual lane style

- A game shall be played on two lanes (a pair) immediately adjoining each other.
- Individual entrants shall successively and in regular order bowl one frame on one lane, and for the next frame alternate and use the other lane until five frames are bowled on each lane of the pair.

Round Robin format

- In the round robin the qualifying format of the event determines the number of athletes who will advance to round robin competition
- Each athlete bowls one match against every other athlete in the group
- Matches consist of one game matches.

6 games of qualification. Top 16 athletes qualify for group match play. Two players per lane. Change of lane after each game. A detailed lane movement schedule will be presented before the start of the event.

Ties to advance to match play will be broken by a one game match between the tied athletes. The tie-breaker match will take place one hour prior to the start of the round robin round. Additional ties will be broken by a 9th & 10th frame roll-off. Ties for position in groups will be broken by highest last game in qualification. If a tie still exists, it is broken by highest 5th game and so forth until tie is broken

The leader board will be split into two groups (A,B) using a snake system. The snake will start with the highest finisher being placed in group A and moves across each group.

Singles group match play

Each group will play 7 Round Robin matches. 3 points will be awarded for a win in a match, 1 for a tie. From each of the two groups the top 2 athletes in points will advance to semi-finals.

Athletes will play on one pair of lanes, one athlete per lane. Lanes are assigned from a predetermined schedule.

Ties in a group to advance in will be broken by a one game match between the tied athletes. The tie-breaker match will take place immediately after last group match has been played. Additional ties will be broken by a 9th & 10th frame roll-off.

If more than two athletes are tied to advance a one game roll off will be played by all tied athletes and the highest score(s) will advance.

Singles semi-finals

Four athletes qualify from group match play. Semi-finals will be played over best of three games. In the event of a tie in a game a 9th 10th frame roll off will occur to break the tie. Winners advance to the final.

Semi-final 1	Winner group A	vs	Second place group B
Semi-final 2	Winner group B	vs	Second place group A

Semi-finals will be played on one pair of lanes, one athlete per lane. The athlete with the highest points total from group match play gets to choose the starting lane (left or right) after warm-up. Ties for seeding will be broken by the highest ranked athlete after qualification.

Singles finals

Two athletes qualify from semi-finals. Final will be played over best of three games. In the event of a tie in a game a 9th 10th frame roll off will occur to break the tie.

Athletes will play on one pair of lanes, one athlete per lane. The athlete with the highest points total from group match play gets to choose the starting lane (left or right) after warm-up. Ties for seeding will be broken by the highest ranked athlete after qualification.

TIMING – IBF SHOT CLOCK

The IBF Junior World Championships 2022 will be played using a one lane courtesy. In addition to that a shot clock will be used in every game played. The shot clock will be strictly enforced during every aspect of the tournament.

- I. The following time rules apply and will be strictly enforced during the entire event.
- II. First shot in a frame. When your opponent leaves the approach and you have a full set of pins, you have 30 (thirty) seconds to complete your shot. The shot is deemed complete in shot clock terms when the ball is fully released and has passed the foul line.
- III. Second shot in a frame. After your first ball has returned to the ball return, you have 30 (thirty) seconds to complete your shot. The shot is deemed complete in shot clock terms when the ball is fully released and has passed the foul line.
- IV. First offence: A warning for slow bowling is given to the player/team.
- V. Second offence: A warning for slow bowling is given to the player/team.
- VI. Third, and continued offence: The pin count of the whole frame where the offence occurred in will be nulled.

Bowling ball registrations

Every athlete is allowed to register a maximum of six 6 bowling balls for use in the championship. No substitution is allowed during the event.

Bowling ball surface alteration

Within a block, no surface alteration is allowed on a bowling ball once practice has finished. The penalty for altering the surface during a block is zero pinfall for the game.

Alcohol Consumption

There will be zero tolerance for alcohol consumption in the bowling center for athletes and federation officials. The bowling center is going to restrict alcohol consumption to the second floor for guests, away from the competition area. Athletes and federation officials may not consume alcohol while wearing the standard uniform of their national federation during the period commencing with the start of official practice and the end of the tournament. The penalty for violation:

- Suspension for the duration of the championships.

Warm-up

Qualification & group match play: Before every block of games, the athlete or team will get 10 minutes (singles & doubles) or 12 minutes (teams & mixed teams) of warm-up on their starting lane.

Semi-final and final. Before the first semi-final of the day all teams/athletes competing in the finals will get 15 minutes of practice on the championship lanes. Before a match, the competing athletes/teams will have one frame per athlete of warm-up on their starting lane.
