

Welcome to Sweden and Helsingborg. We hope that you will enjoy yourself here during these days and to make it a little easier for you, we have compiled some information.

When you arrive at Copenhagen airport there will be people meeting your team directly after the customs. Then there will be bus shuttle to the bowling center for ball drop off, and afterwards the bus will take you to your hotel. While you are in Helsingborg you will receive a special card that gives you unlimited access to bus & train transportation all over the city and destinations close by, between 19th – 29th of June. You will also need this card for entering the bowling center and getting discounts.

NOTE - don't lose this card!

June 24th, 25th and 26th are Midsummer holidays in Sweden. Opening hours in shops, restaurants and bus times can be different from other days.

In Sweden, we have emergency number **112** which goes to the police, ambulance and fire department.

Sweden, the cashless country

In Sweden you can only use Swedish "Krona, SEK". However, cash payments are very limited in Sweden. Very few restaurants accept cash payments. NO hotels accept cash, all payments must be made with credit/debit card. The bowling center accepts cash.
